ECREA Section Mediatization

Report 2020

Overview

The activities of the section Mediatization have, due to the pandemic, been minimal this year. As the Braga conference became postponed, no section conference was planned for, and the activities have been severely restricted. The main activity was preparing for the Braga conference and assessing the abstract submitted.

Website and election of new management team

In addition to the facilities of the ECREA website the section also uses the website www.mediatization.eu as a resource for members concerning both internal section affairs and general research activities concerning mediatization.

The number of members of the ECREA section Mediatization is currently 257.

The management team has consisted of:

Professor Caja Thimm, University of Bonn, chair.

Professor Rita Figueiras, Universidade Catolica Portuguesa, vice-chair.

Professor Göran Bolin, Södertörn University, Sweden, vice-chair.

YECREA:

Jakob Hörtnagl, University of Augsburg, Germany (YECREA)
